Terms and Conditions

Gendron/Proclaiming the Gospel Israel Mission Trip • March 16-25, 2009

RELEASE OF LIABILITY

Compass International, Inc., herein referred to as "Compass" (P.O. Box 3747, Coeur d'Alene, ID 83816), is responsible for organizing and booking this Israel mission trip scheduled to depart in March 2009.

I understand that *Compass* is the coordinator of the hotels, ground operators, guides, and sites, as well as contractor with travel agents for air travel to and from Israel to provide me, the traveler, with the benefits of this trip. I understand that the carriers, hotels, and other suppliers providing services are independent contractors and are not agents, employees, servants of, or joint venturers with *Compass*. All certificates and other travel documents for services issued by *Compass* and/or its agents, are subject to the terms and conditions specified by the supplier, and to the laws of the countries in which the services are supplied.

As a willing participant in this mission trip with *Compass*, I understand that it may have certain dangers and risks involved while flying, traveling, or residing in the scheduled areas. I understand certain risks may be unavoidable on this trip, and therefore, I agree to hold harmless *Compass*, its officers and staff, and/or any group leaders, from any and all liability arising from anything connected with this trip, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip.

I understand *Compass* shall have no liability to the participant for the duration of the trip for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, death or disability, additional expense, or any other kind of damage.

I understand *Compass* is not responsible for problems due to government actions, weather, mechanical breakdowns, war, terrorism, acts of nature (secularly know as "Acts of God"), or other circumstances beyond their control.

If a travel ban is imposed by the United States on any country in which I am scheduled to land or travel, it is possible the trip will be rescheduled, shortened, or lengthened, to accommodate the travel ban or travel restrictions.

I understand that I may be traveling under a State Department "travel warning" for the State of Israel (a travel warning has been in effect during all previous Israel trips and the trips were taken without incident. We expect to experience the same during future trips). I accept any risk associated with traveling at this time.

In the event of delay, the airline, not *Compass*, determines delay procedures and the amenities / compensation, if any, to be offered. *Compass* will not accept responsibility for additional charges incurred for expenses or lost wages as a result of changes to flight times, and/or missed vacation time. In some circumstances, the trip may be pushed forward or backward 24-36 hours.

Fuel and tax surcharges for the cruise and international airfare are estimated. If the final surcharge is \$50 or more than our estimate, we reserve the right to bill you for the difference after you return.

I understand that if I do not select the Trip Protection, my deposit is non-refundable. If I take the Trip Protection, the fee is deducted from the deposit. I further understand that if I decline the Trip Protection, the cancellation fee for canceling 90 days or more prior to departure is 50% of all monies paid. If I cancel inside of 90 days of departure, there is no refund due me.

I agree to pray for the safety, camaraderie, and positive spiritual impact for all who will travel on this mission trip.

By agreeing to travel on this trip, I accept these terms and conditions of travel and further accept this to be binding on my heirs and descendants, and their heirs and descendants.
